STATEMENT OF OBJECTS AND REASONS.

1. The object of the Bill is to make necessary amendments of a formal nature in certain enactments and to repeal certain spent, useless or unnecessary matter in the Statute Book. The Bill has been confined rigidly and exclusively to alterations which are entirely free from controversy. Anything doubtful has been left unchanged.

2. The Bill contains proposals for the repeal of a large number of enactments including Acts, Regulations, sections of Acts or Regulations, which were passed to make textual alterations in previous enactments. A few other enactments have been also proposed for repeal which are either themselves repeals or are enactments the effect of which is spent.

3. The Bill does not include for repeal any Act or Regulation passed later than the close of the year 1940. Thus no enactment is to be repealed unless it has been in existence for more than three years. During this period, publication of the enactment in the volume of the Statutes of the year to which it relates has been secured, its existence has had ample time to be appreciated, and there has been full opportunity for any modifications introduced by it in previous Acts to be noted and incorporated in their proper places.

4. Clause 4 of the Bill contains the precautionary provisions which it is usual to include in all Bills of this kind.

5. The reasons for each amendment or repeal proposed are explained opposite such amendment or repeal in the remarks column (which does not form part of the Bill).

THE SCHEDULE.

(*See* sections 3 and 4.)

1 Corrupt practice.	2 Period of disqualification.
The obtaining or procuring or abetting or attempting to obtain or procure, by a candidate or his agent, or by any other person with the connivance of a candidate or his agent, the assistance of a servant of the Crown in furtherance of the prospects of the candidate's election.	Six years from the date of the report of the Commissioners holding an inquiry.

STATEMENT OF OBJECTS AND REASONS.

The electoral law, as it stands, imposes no penalty or disqualification upon candidates who themselves or through the agency of other persons seek to obtain the services of Government officers in furtherance of their private interests in election campaigns. This defect in the law is likely to lead to a gross and dangerous form of corruption in public life. The object of the Bill is to remove this defect.

Clauses 3 and 4 provide that a candidate or his agent, or any other person acting with the connivance of either, found guilty of obtaining or procuring or abetting or attempting to obtain or procure the services of any servant of the Crown for such a purpose as aforesaid, will be disqualified for membership of, and for voting at an election to, the Bengal Legislative Assembly or the Bengal Legislative Council for six years. It excludes from its operation third parties acting without the connivance of a candidate or his agent. It also excludes from its protection officers or servants of local authorities.

(*Note.*—On an average of the five years ending 1942-43, the area under sugarcane in Bengal, has represented some 8·1 per cent. of the total area under sugarcane in India.)

Character of the season.—Since the submission of the second forecast in October last the weather and its effect on the crop have been, on the whole, fair. Some damage has been caused at places by drought and insect-pests.

Acreage.—The total area planted is estimated at 309,700 acres this year against 338,500 acres last year. The decrease is due to the high prices prevailing for other competing crops.

Outturn.—According to the estimates of the District Officers the average outturn of the crop for the province works out to 72 per cent. of the normal this year as against 75 per cent. last year.

Taking 515 ½ maunds as the normal yield of sugarcane per acre, the gross outturn for the province is estimated at 4,220,000 tons this year against 4,805,000 tons last year; and on the basis of gur/cane ratio 1:10 the fixed standard for the province as a whole, the gross outturn of cane gur is estimated at 422,000 tons this year against 480,500 tons last year.

Other sources of gur.—The total quantity of gur likely to be obtained from date-palm juice and other sources is estimated at 123,700 tons this year as against 118,300 tons last year.

The total quantity of gur produced from all sources is thus estimated at 545,700 tons this year as against 598,800 tons last year.

NOTIFICATION.

No. 148L.—14th February 1945.—The Governor having been pleased to order, under rule 48 of the Bengal Legislative Council Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL TENANCY (AMENDMENT) BILL, 1945.

A BILL

further to amend the Bengal Tenancy Act, 1885.

WHEREAS it is expedient further to amend the Bengal Tenancy Act, 1885, for the purposes and in the manner hereinafter appearing; VIII of 1885.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Tenancy (Amendment) Act, 1945.

Substitution of new section for section 49K of Act VIII of 1885.

2. For section 49K of the Bengal Tenancy Act, 1885 (hereinafter referred to as the said Act), the following section shall be substituted, namely :—

Restriction on the sale of tenant's rights under order of Court.

"49K. (*1*) Notwithstanding anything contained in this Act, no decree or order shall be passed by any Court for the sale of the right of an aboriginal tenure-holder, *raiyat* or under-*raiyat* in his tenure or holding, or in any portion thereof, nor shall any such right be sold in execution of any decree or order :

Provided that any tenure or holding belonging to an aboriginal may be sold in accordance with the provisions of sub-section (*2*) in execution of a decree of a competent Court to recover an arrear of rent which has accrued in respect of the tenure or holding.

(*2*) When a decree for an arrear of rent which accrued in respect of a tenure or holding of an aboriginal tenant has been passed, such decree shall be executable solely by the Collector and the Court shall, on application made in this behalf by the decree-holder, send the decree to the Collector for execution and the Collector in execution of the said decree may, in his discretion,—

(*a*) sell the said tenure or holding, or

(*b*) eject the said aboriginal tenant and settle the said tenure or holding or a portion thereof with another aboriginal tenant on payment of the decretal amount by such other aboriginal tenant, or

(*c*) place the landlord in possession of the said tenure or holding or a portion thereof for a period not exceeding seven years ;

and if the Collector, in executing a decree under this sub-section,—

(*i*) sells the said tenure or holding, he shall, subject to the provisions of sub-section (*3*), follow the procedure applicable to sales of land by a Civil Court in execution of decrees for arrears of rent;

(*ii*) places the landlord in possession of the said tenure or holding or any portion thereof for any period, the decree shall at the end of such period be deemed to have been satisfied in full and the Collector may then restore the said tenure or holding or portion to the aboriginal tenure-holder, *raiyat* or under-*raiyat*, as the case may be against whom the said decree was

(Clauses 3, 4.)

executed or to the successor in interest of such tenure-holder, *raiyat* or under-*raiyat* or may settle it with another aboriginal :

Provided that no portion of a tenure or holding shall be sold or settled by the Collector under this sub-section if such sale or settlement would result in bringing the rent for such portion below two rupees in the case of a tenure or one rupee in the case of a holding.

(*3*)(*a*) Before issuing a proclamation for the sale of any tenure or holding in execution of a decree referred to in sub-section (*2*), the Collector shall after hearing the decree-holder and the judgment-debtor divide the tenure or holding into such number of smaller areas to be specified as lots as the Collector thinks fit for the purpose of being sold separately and shall specify the lots in the proclamation ;

(*b*) when any tenure or holding has been advertised for sale by the issue of a proclamation referred to in clause (*a*), each lot specified in the proclamation shall be put up to auction separately and as soon as the total amount of the bid reaches a sum sufficient to liquidate the amount of the decree and costs including the costs of sale, the sale shall be stopped and no further lots shall be knocked down, and if even after all the lots have been separately put up to auction the total amount of the bid does not reach a sum sufficient to liquidate the amount of the decree and costs as aforesaid, all the lots shall be put up to auction together.

(*4*) Before restoring or settling a tenure or holding under sub-section (*2*), the Collector may, if he is satisfied that the rent of the tenure or holding has been illegally enhanced or is substantially in excess of the rent payable by tenants of the same class for lands of the same description with similar advantages in the vicinity, pass an order altering the amount of the rent of the tenure or holding to an amount which he considers to be fair.

(*5*) Notwithstanding anything contained in this Act, where a portion of a tenure or holding is sold or settled under sub-section (*2*),—

(*a*) the Collector shall, before confirming the sale or making the settlement, distribute the rent of the tenure or holding over such portion and the remaining portion or portions of the tenure or holding and in making such distribution the Collector shall follow, as far as may be, the procedure laid down in section 88 ; and

(*b*) the division of the said tenure or holding consequent upon such sale or settlement and the distribution of the rent of such tenure or holding made under clause (*a*) shall, subject to the provisions of section 49M, be binding on the tenants and the landlord concerned.

(*6*) Nothing in this section shall affect,—

(*a*) any right to execute a decree for the sale of any such tenure or holding or the terms or conditions of any *bona fide* contract relating thereto if such decree was passed or such contract was registered—

(*i*) in the case of Sonthals of the districts of Birbhum, Bankura and Midnapore, before the 1st November, 1916, and

(*ii*) in the case of other castes and tribes to which this chapter has been applied, at least one year before the date of the publication of the notification under sub-section (*2*) of section 49A in respect of such castes or tribes, or

(*b*) any right for the sale of any such tenure or holding for the recovery of any dues which are recoverable as public demands."

Amendment of section 49L.

3. In section 49L of the said Act, after the words "such tenancy or portion thereof" the words "other than a decree to recover an arrear of rent which has accrued in respect of such tenancy" shall be inserted

Amendment of section 49M.

4. In section 49M of the said Act, for the word, figures and letter "or 49J' the word, figures and letters "49J or 49K" shall be substituted.

STATEMENT OF OBJECTS AND REASONS.

Under the existing provisions of the Bengal Tenancy Act, 1885 only the entire tenure or holding of an aboriginal tenant can be sold in execution of a decree for arrears of rent. Such provisions are inequitable inasmuch as the tenant thereby loses his entire tenure or holding, which is the very means of his subsistence, although its value may be out of all proportion to the decretal amount. It is therefore considered necessary that the Act should be amended so as to make the following provisions on the lines of the Bihar Tenancy Act:—

(*1*) that a portion of a tenure or holding of an aboriginal tenant may be sold in execution of a rent decree, and

(*2*) that in execution of a rent decree the Collector may, in the alternative, eject the aboriginal tenant from his tenure or holding or a portion thereof and settle it with another aboriginal tenant on payment of the decretal amount or put the landlord in possession thereof for a period not exceeding seven years and restore the land on the termination of that period to the original tenant or settle it with another aboriginal tenant.

The Bill has been framed with this object in view.

Protection from ejectment from, transfer of, and succession to, tenancies for homestead or residential purposes in other cases.

6. Notwithstanding anything contained in any law for the time being in force or in any contract,—

(*1*) if any tenancy which has been or is created after the commencement of the Transfer of Property Act, 1882 has been or is held for homestead or residential purposes for a term of not less than twelve years without any lease in writing, or

The Bengal Non-agricultural Tenancy Bill, 1945.

(Chapter III—Incidents of Tenancies held by Non-agricultural Tenants—Clause 7.)

(2) if any tenancy has been or is held for the said purposes under a lease in writing for a term of not less than twelve years but no term is specified in such lease, or

(3) if the landlord has allowed *pucca* structures to be erected on any land comprised in a tenancy held for homestead or residential purposes under a lease in writing for a period specified therein, whether such structures have been erected,

then—

(i) the non-agricultural tenant holding such tenancy shall not be ejected by his landlord from the land comprised in the tenancy except on the ground that he has used the land comprised in the tenancy in a manner which renders it unfit for the purposes of the tenancy or that he has broken a condition consistent with the provisions of this Act and on breach of which he is under the terms of a contract between himself and his landlord liable to be ejected;

(ii) such tenancy shall, in the case where the non-agricultural tenant dies intestate in respect of his interest in that tenancy, be transmitted by inheritance in the same manner as the other immoveable property of the said tenant; and

(iii) such tenancy shall, subject to the provisions of this Act, be capable of being transferred and bequeathed in the same manner and to the same extent as the other immoveable property of the tenant.

7. (1) Notwithstanding anything contained in any law for the time being in force or in any contract, where any tenancy is held for homestead or residential purposes under a lease in writing for a term of not less than twelve years specified in such lease, the non-agricultural tenant holding such tenancy shall, on the expiration of the period so specified, be entitled to the option of successive renewals of such lease on such fair and reasonable conditions as to rent and other matters as may be agreed upon between the landlord and such tenant.

(2) If there is any dispute as to whether any condition for the renewal of a lease under sub-section (1) is fair and reasonable, the landlord or the non-agricultural tenant may apply in the prescribed manner to the Court, and the Court shall thereupon determine the conditions for renewal of the lease which it considers fair and reasonable in the circumstances of the case.

(3) A non-agricultural tenant holding a tenancy to which the provisions of sub-section (1) apply shall not be ejected by his landlord from the land comprised in the tenancy during the term specified in the lease, nor after the tenant has on any occasion exercised his option of renewal, during the term of such renewal except on the ground—

(b) that he has broken a condition consistent with the provisions of this Act, and on breach of which he is, under the terms of a contract between himself and his landlord, liable to be ejected.

(4) The interest of a non-agricultural tenant in a tenancy to which the provisions of sub-section (1) apply, shall,—

(*a*) without a lease in writing, or

(*b*) under a lease in writing for a term of more than one year and less than twelve years to which the provisions of clause (*3*) of section 6 do not apply, or

(*c*) under a lease in writing but no term is specified in such lease,

then a non-agricultural tenant holding such tenancy shall be liable to ejectment on one or more of the following grounds and not otherwise, namely :—

(*i*) on the ground that he has failed to pay an arrear of rent due to the landlord in respect of the land comprised in the said tenancy ;

(*ii*) on the ground that he has used the land in a manner which renders it unfit for the purposes of the tenancy or that he has broken a condition consistent with this Act and on breach of which he is, under the terms of a contract between himself and his landlord, liable to be ejected ;

(*iii*) on the ground that he has refused to agree to pay a fair and equitable rent determined under section 43 ;

(*iv*) where he has been admitted to occupation of the non-agricultural land comprised in the tenancy under a registered lease, on the ground that the term of the lease has expired :

Provided that in the case of tenancies of the classes specified in clauses (*a*) and (*c*) it shall be lawful for the landlord to eject the non-agricultural tenant on giving him six months notice in writing expiring with the end of a year of the tenancy and on payment of such reasonable compensation as may be agreed upon between the landlord and the non-agricultural tenant or, in the case where they do not agree, as may be determined by the Court on the application of the landlord or such tenant.

Tenancies for manufacturing or business purposes or for other purposes.

Protection from ejectment from, transfer of, and succession to, tenancies for manufacturing or business purposes or for other purposes held with or without lease from before the Transfer of Property Act, 1882, or whose origin is unknown.

9. Notwithstanding anything contained in any law for the time being in force if any tenancy has been held for manufacturing or business purposes or for other purposes with or without any lease having been entered into by the landlord and the tenant from before the commencement of the Transfer of Property Act, 1882, or if the origin of any tenancy held for manufacturing or business purposes or for other purposes is unknown, then the non-agricultural tenant holding such tenancy shall be subject to the same provisions with respect to the ejectment from, the succession to and the transfer of, such tenancy as a non-agricultural tenant holding similar tenancies for homestead or residential purposes referred to in section 5. IV of 1882.

Protection from ejectment from, transfer of, and succession to, tenancies for manufacturing or business purposes, or for other purposes, in other cases.

10. Notwithstanding anything contained in any law for the time being in force or in any contract,—

(*a*) if any tenancy which has been or is created after the commencement of the Transfer of Property Act, 1882 has been or is held for manufacturing or business purposes or for other purposes for a term of not less than twelve years without any lease in writing, or

(*b*) if any tenancy has been or is held for manufacturing or business purposes or for other purposes under a lease in writing for a term of not less than twelve years but no term is specified in such lease,

the non-agricultural tenant holding such tenancy shall be subject to the same provisions with respect to the ejectment

from, the succession to and the transfer of, such tenancy as a non-agricultural tenant holding similar tenancies for homestead or residential purposes referred to in section 6.

Renewals of leases of tenancies for manufacturing or business purposes or for other purposes held for not less than twelve years, and succession to, and transfer of, such tenancies.

11. (*1*) Notwithstanding anything contained in any law for the time being in force or in any contract, where any tenancy is held for manufacturing or business purposes or for other purposes under a lease in writing for a term of not less than twelve years specified in such lease, the non-agricultural tenant holding such tenancy shall, on the expiration of the period so specified, be entitled to the option of successive renewals of such lease on such fair and reasonable conditions as to rent and other matters as may be agreed upon between the landlord and such tenant.

(*2*) If there is any dispute as to whether any condition for the renewal of a lease under sub-section (*1*) is fair and reasonable, the provisions of sub-section (*2*) of section 7 shall apply *mutatis mutandis*.

(*3*) A non-agricultural tenant holding a tenancy to which the provisions of sub-section (*1*) apply shall be subject to the same provisions with respect to the ejectment from, succession to and transfer of the interest in, such tenancy as a non-agricultural tenant holding similar tenancies for homestead or residential purposes referred to in section 7.

Grounds on which a non-agricultural tenant holding a tenancy for manufacturing or business purposes or for other purposes, for less than twelve years may be ejected.

12. Notwithstanding anything contained in any law for the time being in force or in any contract, if any tenancy has been or is held for manufacturing or business purposes or for other purposes for a term of more than one year but less than twelve years—

(*a*) without a lease in writing, or

(*b*) under a lease in writing for a term of more than one year and less than twelve years, or

(*c*) under a lease in writing but no term is specified in such lease,

then a non-agricultural tenant holding such tenancy shall be subject to the same provisions with respect to the ejectment from such tenancy as a non-agricultural tenant holding similar tenancies for homestead or residential purposes referred to in section 8.

Special provisions applicable to tenancies for specific religious purposes.

13. 34. Where a non-agricultural tenant holds a tenancy specified in any of the sections 5, 6, 7, 9, 10, 11 and 13 he shall not be liable to ejectment for arrears of rent, but his tenancy shall be liable to sale in execution of a decree for the rent thereof, and the rent shall be a first charge thereon.

Ejectment for arrears in other cases.

35. (*1*) When an arrear of rent remains due from a non-agricultural tenant, not being a non-agricultural tenant holding a tenancy specified in any of the sections 5, 6, 7, 9, 10, 11 and 13, at the end of the year of the tenancy, the landlord may, whether he has obtained a decree for the recovery of the arrear or not, and whether he is entitled by the terms of any contract to eject the non-agricultural tenant for arrears or not, institute a suit to eject the non-agricultural tenant.

(*2*) In a suit for ejectment for an arrear of rent a decree passed in favour of the plaintiff shall specify the amount of the arrear and of the interest (if any) due thereon, and the decree shall not be executed if that amount and the costs of the suit are paid into Court within thirty days from the date of the decree, or when the Court is closed on the thirtieth day on the day upon which the Court re-opens .

(*3*) The Court may for special reasons extend the period of thirty days mentioned in this section.

Interest on arrears.

Provided that interest shall not be decreed when damages are awarded under this section :

(*i*) the amount of such damages shall not be less than the interest accruing up to the date of the institution of the suit, and

(*ii*) interest on the arrear may be awarded from the date of the institution of the suit up to the date of payment at such rate as the Court directs.

The Bengal Non-agricultural Tenancy Bill, 1945.

(Chapter V—Provisions as to rent of non-agricultural tenancies—Clauses 38—43.)

(2) If, in any suit brought for the recovery of arrears of rent, it appears to the Court that the plaintiff has instituted the suit without reasonable or probable cause, the Court may award to the defendant, by way of damages, such sum, not exceeding twelve and a half *per centum* on the whole amount claimed by the plaintiff, as it thinks fit.

38. (*1*) A non-agricultural tenant shall not, when his landlord's interest is transferred, be liable to the transferee for rent which became due after the transfer and was paid to the landlord whose interest was so transferred, unless the transferee has before the payment given notice of the transfer to the non-agricultural tenant.

(*2*) Where there is more than one non-agricultural tenant paying rent to the landlord whose interest is transferred, a general notice from the transferee to the non-agricultural tenants published in the prescribed manner shall be a sufficient notice for the purposes of this section.

Liability for rent before transfer of tenancies.

39. When a non-agricultural tenant holding a tenancy specified in any of the sections, 5, 6, 7, 9, 10 and 11 transfers his tenancy in whole or in part, the transferor and transferee shall be jointly and severally liable to the landlord for arrears of rent due before the transfer :

Provided that the transferor shall not be liable to the landlord for such arrears of rent if the transferee has agreed to pay such arrears to the landlord and the fact has been mentioned in the instrument of transfer.

Illegal impositions.

Abwab, etc., illegal.

40. (*1*) All impositions upon non-agricultural tenants under the denomination of *abwab, mathat* or other like appellations, in addition to the actual rent, shall be illegal, and all stipulations and reservations for the payment of such shall be void.

(*2*) Nothing in this section shall be deemed to affect the terms of a permanent *mukarrari* lease granted in respect of any tenancy by the landlord thereof and registered before the commencement of this Act.

Fine for realisation of *abwab*, etc.

41. (*1*) If a landlord or his agent realises from a non-agricultural tenant any imposition declared under sub-section (*1*) of section 40 to be illegal, such landlord or agent, as the case may be, shall be liable to the same fine, to be imposed in the same manner, as in sub-section (*3*) of section 26, and the provisions of sub-sections (*4*), (*7*) and (*8*) of the said section relating to inquiry, fine and procedure shall, *mutatis mutandis* and so far as may be, apply to proceedings under this section.

42. Every non-agricultural tenant from whom, except under any special enactment for the time being in force, any sum of money is exacted by his landlord in excess of the rent or interest lawfully payable, may, within six months from the date of the exaction, institute a suit to recover from the landlord, in addition to the amount so exacted, such sum by way of penalty as the Court thinks fit, not exceeding two hundred rupees ; or, when double the amount so exacted exceeds two hundred rupees, not exceeding double that amount.

Enhancement of rent.

Enhancement of rent of permanent tenancies.

43. (*1*) Subject to any contract between the parties the rent payable by a non-agricultural tenant holding a tenancy specified in any of the sections 5 to 12 shall be liable to enhancement up to the limit of the customary rate payable by persons holding similar tenancies in the vicinity.

The Bengal Non-agricultural Tenancy Bill, 1945.

(Chapter V—Provisions as to rent of non-agricultural tenancies—Clauses 44—47.)

(2) Where such a customary rate does not exist or cannot be ascertained, the rent may, subject as aforesaid be enhanced up to such limit as the Court thinks fair and equitable in the circumstances of the case.

(3) In determining a fair and equitable rent under sub-section (2) the Court shall, subject to such further provisions as may be prescribed in this behalf, take into consideration—

(a) the existing rent and the period during which it has remained without enhancement;

(b) as far as can expediently be ascertained the rent paid to other landlords for non-agricultural lands in the vicinity with similar advantages or of a similar description;

(c) the market value of the land comprised in the tenancy and the rent which would be payable if the rate were fixed at not more than four *per centum* of such market value;

(d) the special conditions and incidents, if any, of the tenancy; and

(e) any cost incurred in making any improvement to or on the land comprised in the tenancy or in converting such land for the purposes for which it is being used according to the conditions of the tenancy.

Provisions as to enhancement on ground of landlord's improvement.

44. (1) When an enhancement is claimed on the ground of a landlord's improvement,—

(a) the Court shall not grant an enhancement unless the improvement has been registered in accordance with this Act; and

(b) in determining the amount of enhancement the Court shall have regard to,—

(i) the increase in the value of the tenancy caused or likely to be caused by the improvement,

(ii) the cost of the improvement,

(iii) the expenditure (if any) required for utilising the improvement, and

(iv) the existing rent of the tenancy and the ability of the land comprised in the tenancy to bear a higher rent.

(2) A decree under this section shall, on the application of the non-agricultural tenant or his successor in interest, be subject to reconsideration in the event of the improvement not producing or ceasing to produce the estimated effect.

Power to order progressive enhancement.

45. If it thinks that an immediate increase of rent will cause hardships, the Court may direct that the enhancement shall take effect gradually at such intervals and by such increments extending over a period not exceeding five years as the Court may fix in this behalf.

Limitation of right to enhancement.

46. When the rent of a tenancy specified in any of the sections 5, 6, 9 and 10 has been enhanced by the Court or in pursuance of the conditions of a contract, it shall not be further enhanced by the Court during the fifteen years next following the date on which it has been last so enhanced and for the purposes of this section if an order of gradual enhancement of such rent has been made by a Court in accordance with the provisions of section 45, the full rent fixed by such order shall be deemed to have come into effect from the date of such order:

Provided that the landlord of a tenancy may institute a suit for the enhancement of the rent of such tenancy during the said period of fifteen years on the ground of any improvement effected to the land comprised in such tenancy by, or wholly or partly at the expense of, such landlord during such period.

Reduction of rent.

Reduction of rents.

47. The rent of a non-agricultural tenant holding a tenancy specified in any of the sections 5 to 12 may be reduced by the Court if the Court considers that the rate of rent payable by the tenant is unfair and inequitable, and in determining what rent is fair and equitable under this section the Court shall have regard to the provisions of sub-section (3) of section 43.

CHAPTER VI.

IMPROVEMENTS.

Definition of "improvement."

48. For the purposes of this Act the term "improvement" used with reference to a tenancy shall mean any work which adds to the value of the tenancy, which is suitable to the tenancy and consistent with the purpose for which it was let, and which, if not executed on the tenancy, is either executed directly for its benefit, or is, after execution, made directly beneficial to it, and subject to the foregoing provisions, shall include the following, namely :—

but shall not include any work executed by a non-agricultural tenant if it substantially diminishes the value of his landlord's property.

Rights to make improvements.

49. (*1*) Subject to the provisions of sub-section (*2*), neither the non-agricultural tenant nor his landlord shall, as such, be entitled to prevent the other from making an improvement in respect of the tenancy.

(*2*) If both the non-agricultural tenant and his landlord wish to make the same improvement the non-agricultural tenant shall have the prior right to make it, unless it affects another tenancy or other tenancies under the same landlord.

(*3*) Any fee realised from a non-agricultural tenant for permission to make any improvement in respect of his tenancy shall be deemed to be an *abwab* and the provisions of sub-section (*1*) of section 40 shall apply thereto.

Registration of landlord's improvements.

51. (*1*) A landlord may, by application to such Revenue-officer as the Provincial Government may appoint in this behalf, register any improvement which he has lawfully made or which has been lawfully made wholly or partly at his expense or which he has assisted a non-agricultural tenant in making.

(*2*) Every such application shall be in the prescribed form and shall contain such particulars and shall be verified in such manner, by local enquiry or otherwise, as may be prescribed.

(*3*) The Officer receiving the application may reject it if it has not been made within twelve months,—

(*a*) in the case of improvements made before the commencement of this Act, from the commencement of this Act ;

(*b*) in the case of improvements made after the commencement of this Act, from the date of the completion of the work.

Application to record evidence as to improvement.

52. (*1*) If any landlord or non-agricultural tenant of any tenancy desires that evidence relating to any improvement made in respect thereof be recorded, he may apply to the Revenue-officer to whom an application for the registration of such improvement may be made under sub-section (*1*) of section 51 and such Revenue-officer shall thereupon, at a time and place of which notice shall be given to the parties, record the evidence :

Provided that such Revenue-officer shall not so record the evidence if he considers that there were no reasonable grounds for the making of the application, or if it appears to him that the subject-matter thereof is under inquiry in a Civil Court.

(*2*) When any matter has been recorded under this section, the record thereof shall be admissible in evidence in every subsequent proceeding between the landlord and the non-agricultural tenant or any persons claiming under them.

Acquisition of land for industrial purposes.

55. A Civil Court may, on the application of the landlord of a tenancy, and on being satisfied that he is desirous of acquiring the tenancy or part thereof for the *bona fide* industrial purposes for which the lands comprised within the tenancy were originally acquired by the landlord of such tenancy, although such lands have for the time being been let out for other purposes, and on being satisfied on the certificate of the Collector that the said purpose is *bona fide*, authorise the acquisition of the lands comprised in the tenancy by the landlord upon such conditions as the Court may think fit, and require the non agricultural tenant to sell his interest in the whole or such part of the tenancy to the landlord upon such terms as may be approved by the Court, including full compensation to such tenant:

Provided that nothing in this section shall apply to a tenancy in which a non agricultural tenant has acquired a permanent right under a lease in writing or otherwise prior to the commencement of this Act.

Eviction of tenants holding tenancies conditional upon employment in industrial concerns.

58. The provisions of the Transfer of Property Act, 1882, and of any other law for the time being in force, in so far as they may be applicable and in so far as they are not inconsistent with the provisions of this Act shall continue to apply to all tenancies to which the provisions of this Act apply. CHAPTER VIII.

Conversion of agricultural lands into non-agricultural tenancies in certain cases.

59. (*1*) A tenant holding any agricultural land which is situated within any area constituted a municipality under the provisions of the Bengal Municipal Act, 1932, or his landlord, may apply to the Collector for the conversion of such land into a non-agricultural tenancy and on receipt of such application the Collector may, by order in writing, direct such conversion on payment of such *salami* and rent as the Collector considers fair and equitable: Ben. Act XV of 1932.

Provided that no such order shall be passed without notice, the prescribed process fee for which shall accompany the application,—

(*i*) in the case where such application is made by a tenant, to the landlord or the entire body of landlords or their common agent and to the co-sharer tenants, if any, and

connected with agriculture or horticulture for a period of more than twelve years prior to the date of such application or that the tenant has erected any *pucca* structure on such land more than twelve years before the commencement of this Act or has erected such structure at any time with the knowledge of the landlord.

(*2*) The Collector shall fix the fair and equitable *salami* referred to in sub-section (*1*) in accordance with such rules as may be made in this behalf under this Act and shall, in determining the fair and equitable rent referred to in that sub-section, have regard to the provisions of sub-section (*3*) of section 43.

(*3*) Every order passed under sub-section (*1*) directing the conversion of any agricultural land into a non-agricultural tenancy shall state the date from which such conversion shall have effect and shall specify the rent which shall be payable in respect of the non agricultural tenancy into which such land is converted and shall also state the amount of *salami*, if any, to be paid to the landlord by the tenant or tenants of such land, and the rent so specified shall not be enhanced during a period of not less than thirty years from the date of such order.

(*4*) An appeal shall lie to the Commissioner of the Division from any order of the Collector under this section if it is presented within thirty days from the date of such order and is accompanied by the prescribed fee and the decision of the Commissioner on such appeal shall be final.

(*5*) Notwithstanding anything contained in any law for the time being in force or in any contract, where any agricultural land is converted into a non agricultural tenancy by an order under this section such land shall with effect from the date on which such conversion takes effect cease to be an agricultural land, but the tenant of such land shall for the purposes of this Act be deemed to have held it as a non-agricultural tenancy with effect from the date on which such tenant or his predecessor in interest was first inducted into the land.

The Bengal Non-agricultural Tenancy Bill, 1945.

(Chapter IX—Miscellaneous—Clause 65.)

(2) In particular and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(a) the manner in which the landlord or the tenant may apply to the Court under sub-section (2) of section 7 ;

(b) the forms of the notices referred to in sections 14 and 15, the manner of service of such notices and the amount of the process fees referred to in the said sections ;

(c) the manner in which the landlord's fees referred to in section 15 shall be transmitted to the landlord, the costs of transmission of such fees and the manner of payment of the landlord's fees and cost of transmission under sub-section (12) of that section ;

(d) the manner of payment or tender of rent by postal money-order under section 22 ;

(e) the forms to be used generally or for any particular local area or class of cases for the receipt and counterfoil referred to in section 24 and for the statement of account referred to in sub-section (2) of section 25 and the particulars to be specified in such receipt, counterfoil and statement ;

(f) the amount of the cost of transmission of the money deposited in the cases referred to in clauses (a) and (b) of sub-section (1) of section 29 and the amount of the fee referred to in clause (d) of sub-section (2) of that section ;

(g) the manner of publication of the general notice referred to in sub-section (2) of section 38 ;

(h) the determination of a fair and equitable rent referred to in sub-section (3) of section 43 ;

(i) the form of, the particulars to be contained in and the manner of verification of applications referred to in sub-section (2) of section 51 ; and

(j) the amount of process fee referred to in the proviso to sub-section (1) of section 59, the procedure to be followed by the Collector under sub-section (2) of that section in fixing the *salami* referred to in sub-section (1) of that section, and the amount of fee referred to in sub-section (4) of that section.

STATEMENT OF OBJECTS AND REASONS.

Government have considered the Report of the Non-agricultural Land Enquiry Committee and are of the opinion that notwithstanding the provisions of the Transfer of Property Act, 1882, the non-agricultural tenants who hold lands under a lease for residential, business, manufacturing or other purposes are in need of better security. It is obvious, however, that the degree of protection cannot be the same for all classes of tenants and it has been considered necessary to make a distinction between tenancies which are—

(1) of unknown origin or which originated from before the Transfer of Property Act, 1882 ;

(2) held under a written lease for a specified period of not less than twelve years ;

(3) held under a written lease but without specification of any period or without a written lease but originating from after the Transfer of Property Act, 1882, in either case the period of possession not being less than twelve years ;

(4) held under a written lease or otherwise for a period of more than one year but less than twelve years.

It is proposed to confer permanent, heritable and transferable rights on all tenants coming under (1). Lessees under (2) should have a right of renewal on fair and equitable terms, but in case the lessor has allowed a *pucca* structure to be constructed on the land, the tenant should have the status of a permanent lessee irrespective of the period of occupation. Lessees under (3) should have a permanent heritable right. All holdings coming under (2) and (3) should be transferable on payment of a landlords' transfer fee. A perversion of user or a breach of a condition of the contract should be the only grounds on which a tenant under (1), (2) or (3) can be evicted. In case of tenants under (4) provision has been made for payment of compensation under certain circumstances in case of eviction. It is also proposed to provide for conversion of agricultural holdings within municipal areas into non-agricultural holdings.

The Bill has been drafted to provide for these protective rights and also to confer other incidental but necessary rights on the non-agricultural tenants of the different classes.

Rules for the election of members of the Bengal Dental Board under clause (a) of sub-section (2) of section 24 of the Bengal Dentists Act, 1939, and of the Chairman of the said Board.

General.

1. In these rules unless there is anything repugnant in the subject or context:—

"Act" means the Bengal Dentists Act, 1939.
"Section" means a section of the Act.
"Rule" means a rule of these rules.
"Appendix" means the appendix to these rules.
"Returning Officer" means for the purpose of an election under clause (*a*) of sub-section (*2*) of section 4 the Registrar of the Bengal Dental Board and includes any officer deputed for the time being by the said Registrar to perform or assist him in his duties under these rules.

2. (*1*) The Returning Officer shall notify in the *Calcutta Gazette* and in such other manner as he may think fit, the fact of a general election being due, together with a programme of time for the various stages according to which it will be held.

(*2*) Such notification shall be published on a date not being less than forty-two days or more than seventy-five days before the date on which the term of office of the sitting members expires.

3. The Electoral Roll shall consist of a copy of the last published Annual List of Registered Dental Practitioners, corrected up to the date preceding the first day of the period fixed for receiving nomination papers. The roll thus prepared shall be open to inspection by the candidates for election or their authorised agents, in the office of the Bengal Dental Board.

A person whose name is not borne on the Electoral Roll shall not be entitled to participate in the election.

4. Nominations of candidates shall be made in Form A annexed to these rules and there shall be a proposer and a seconder. Every nomination paper shall be filled in fully in all particulars as stated in the form.

The proposer, the seconder and their nominee, shall be persons whose names are borne on the Electoral Roll referred to in rule 3.

A proposer or a seconder may propose or second more than one candidate, provided that the number does not exceed the number of seats for which the election is held and that a separate nomination paper is used for each candidate nominated.

5. On the date and at the time as fixed for the scrutiny of nomination papers by the notification under rule 2, or on such other subsequent date and time as may be fixed in that behalf by the Returning Officer, the Returning Officer shall examine all the nomination papers and decide which of them are in order and which are not. Nomination papers which do not comply with the requirements of rule 4, shall be rejected. If there be any objection by any candidate to the decision of the Returning Officer, it must be made forthwith, and the Returning Officer shall hear and decide such objection. The decision of the Returning Officer accepting or rejecting a nomination paper shall be final.

Every nominee for whom nomination paper has been received and one representative duly authorised by him in writing, or his proposer or seconder, shall be entitled to be present at the time of the scrutiny of the nominations.

6. A person who has been duly nominated may at any time before the scrutiny referred to in rule 5 or within three days thereafter, withdraw his candidature by notice in writing subscribed by him and delivered to the Returning Officer and thereupon he shall cease to be a nominee or a candidate for the election, as the case may be.

7. (*1*) If the number of candidates duly nominated be equal to the number of seats for which the election is held, the Returning Officer shall declare such candidates as duly elected.

(*2*) If the number of candidates duly nominated be less than the number of seats for which the election is held, the Returning Officer shall also declare such candidates as duly elected: and forthwith report the remaining vacancy or vacancies to the Provincial Government for necessary action under sub-section (*4*) of section 4.

8. If the number of candidates duly nominated be greater than the number of seats for which the election is held, the Returning Officer shall proceed to obtain the votes of the constituency in the following manner:—

(*1*) The names of the candidates duly nominated shall be published by the Returning Officer in the *Calcutta Gazette* and in such other manner as he thinks fit.

(*2*) A voting paper in Form B annexed to these rules shall be issued to each person whose name is borne on the Electoral Roll referred to in rule 3, by registered post, according to the address reported up to the date preceding the first day of the period fixed for receiving nomination papers.

(*3*) A person whose name is borne on the Electoral Roll and whose voting paper has not already been despatched by post or having been despatched has been returned by the post office undelivered or whose voting paper has been lost or has been inadvertently spoilt in such manner that it cannot be conveniently used as such, may appear personally before the Returning Officer and make a statement to that effect to take his voting paper and the identification envelope or duplicate copies thereof, as the case may be, and the Returning Officer may, on being satisfied as to the facts of such statement and to his identity and on a receipt given by him, hand over his voting paper and the identification envelope or duplicate copies thereof, as the case may be, to such person.

(*4*) No duplicate of a voting paper shall be issued in any circumstances otherwise than under clause (*3*) and no election shall be invalidated by reason of the non-receipt by any elector of a voting paper.

(*5*) An identification envelope addressed to the Returning Officer shall be sent with every voting paper, and the elector shall place his voting paper in the identification envelope, and either hand it over to the Returning Officer, personally, or send it by post. Voting papers sent otherwise shall not be accepted.

(*6*) Voting papers received after the hour and date mentioned in the notification referred to in rule 2, or, as the case may be, after such other subsequent date as may be fixed by the Returning Officer, shall be rejected. Votes recorded in any paper or form other than the voting paper supplied, shall not be accepted.

(*7*) Each elector has as many votes as the seats for which the election is held; and he shall record his vote by putting a cross-mark in ink against the name of each of the persons for whom he votes and in the column provided for it in the voting paper (Form B). If he records votes for more persons than the seats for which the election is held, his voting paper shall be rejected.

Explanation.—An elector may record his votes for a lesser number of candidates than there are seats.

(*8*) A voting paper shall not be signed by the elector; nor shall he write or mark anything on a voting paper other than the cross-marks to indicate his votes. A voting paper in which votes have been recorded in contravention of this sub-rule shall be rejected.

(*9*) A voting paper in which a mark is placed in such a maner as to make it doubtful to which candidate the vote is given, or in which the elector has placed any mark whereby he may be afterwards identified, or in which an alteration or erasure occurs indicating a change of vote, shall be invalid and shall be rejected.

(*10*) The back of the identification envelope shall be filled up in all particulars mentioned in the form printed thereon. Identification envelopes not so filled up and the voting papers contained therein shall be rejected, and placed in a separate packet.

(*11*) The counting of the votes shall take place on the date and at the time and place fixed in the notification under rule 2 or on such other subsequent date as may be fixed in this behalf by the Returning Officer and the Returning Officer shall be present at the time of counting.

(*12*) Every candidate may be present in person or send one representative duly authorised by him in writing to watch the process of counting; and may inspect the identification envelopes, whether rejected or accepted, or the voting papers when taken out of the accepted envelopes: but shall not see an identifying envelope after the voting paper in it has been taken out.

(*13*) The Returning Officer shall decide on any objection that may be taken at the time of counting, regarding any identification envelope, or voting paper.

(*14*) When the counting of the votes has been completed, the Returning Officer shall declare the candidate having the largest number of votes as duly elected.

(*15*) When an equality of votes is found between two or more candidates, and the addition of a vote will entitle any of these candidates to be declared elected, the determination of the person or persons to whom such an additional vote shall be deemed to have been given shall be made by lot to be drawn in the presence of the Returning Officer and in such manner as he may determine.

9. On the completion of the counting of votes the Returning Officer shall report the result to the Provincial Government, for publication in the *Calcutta Gazette* under sub-section (*5*) of section 4 of the names of the persons who are duly elected.

10. In the case of an election under sub-section (*4*) of section 5, the same rules as laid down for a general election under clause (*a*) of sub-section (*2*) of section 4, shall apply except that sub-rule (*2*) of rule 2 shall not apply, and the notification referred to in sub-rule (*1*) of that rule, shall be published within two months of the occurrence of the vacancy, and except further that the election shall be only for the seat or seats that may have become vacant.

11. At least two months before the date on which the term of office of the members appointed under clause (*b*) of sub-section (*1*) of section 4 or elected under clause (*b*) of sub-section (*2*) of section 4 expires, the Registrar of the Bengal Dental Board shall inform the President of the Bengal Council of Medical Registration requesting him to arrange for an election under the latter clause, and the President shall, thereupon, proceed with

the holding of the election accordingly in such manner as the President may think fit.

12. The name of the member or members elected under clause (*b*) of sub-section (*2*) of section 4 shall be forthwith intimated by the President of the Bengal Council of Medical Registration to the Provincial Government for publication in the *Calcutta Gazette* under section 4(*5*).

13. In the event of a vacancy occurring amongst the members elected in the manner provided in rule 11 on the happening of any of the contingencies mentioned in sub-sections (*1*) and (*2*) of section 5, the Registrar of the Bengal Dental Board shall, within thirty days of the occurrence of the vacancy, inform the President of the Bengal Council of Medical Registration of such vacancy, and the President shall, thereupon, cause an election to be made in the same manner as laid down in the said rule 11.

14. As soon after the completion of a general election as possible, the Registrar of the Bengal Dental Board shall convene a meeting of the members elected for the purpose of electing a Chairman.

15. The members present at the meeting so convened shall elect one amongst them who is not a candidate for the office of Chairman to be the President for conducting the election of Chairman and the election of Chairman shall be held by ballots taken in such manner as the said President may determine.

15A. The election of the President of the meeting for election of Chairman shall be conducted by the Registrar of the Bengal Dental Board who shall have no vote, and in the case of equality of votes secured by two or more persons proposed as President the selection of one of them shall be decided by lot drawn in such manner as the Registrar may determine.

15B. The President of the meeting for election of Chairman shall not ordinarily exercise any vote but shall, in the case of an equality of votes, have and exercise a casting vote.

16. The proceedings of the meeting shall be signed by the President so elected for the meeting, and a copy of it together with the name of the member elected as Chairman shall forthwith be forwarded to the Provincial Government for publication of the name in the *Calcutta Gazette* under sub-section (*5*) of section 4.

16A. In the case of a casual vacancy occurring in the office of Chairman a fresh election shall be held in accordance with the provisions of rules 14 to 16.

17. The Provincial Government may of its own motion, or on objection made within three months from the date of an election made under this rule, declare the election to be void on the ground of corrupt practice involving bribery, undue influence, personation, publication of false statements or the like and may direct a fresh election to be held in accordance with the provisions of these rules. The decision of the Provincial Government shall be final.

PART VI—Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Assembly Department.

New Delhi, the 24th January 1945.

No. 107-I/45-A.—Under Rule 18 of the Indian Legislative Rules, the Governor-General has been pleased to order the publication in the *Gazette of India*, of the following Bill, together with the Statement of Objects and Reasons relating thereto, and the Bill and the Statement of Objects and Reasons are accordingly published for general information:—

L. A. BILL No. 1 OF 1945.

A Bill further to amend the Indian Tea Control Act, 1938.

WHEREAS it is expedient further to amend the Indian Tea Control Act, 1938 (VIII of 1938), for the purposes hereinafter appearing;

It is hereby enacted as follows:—

1. Short title.—This Act may be called the Indian Tea Control (Amendment) Act, 1945.

2. Amendment of Schedule, Act VIII of 1938.—In the Schedule to the Indian Tea Control Act, 1938, in paragraph 1—

(a) for the proviso to clause (a), the following proviso shall be substituted, namely:—

"Provided that any allowance made in respect of young areas which has already been included in determining the cardinal crop basis of the estate shall be deducted.";

(b) for the proviso to clause (b), the following proviso shall be substituted, namely:—

"Provided that any allowance made in respect of low producing areas which has already been included in determining the cardinal crop basis of the estate shall be deducted."

STATEMENT OF OBJECTS AND REASONS.

The provisos to clauses (a) and (b) of paragraph 1 of the Schedule to the Indian Tea Control Act, 1938, as they are worded at present provide that any 'young area' or 'low producing area' in respect of which an allowance has been included in the cardinal crop basis (*i.e.*, the highest crop basis assigned in any one of the years 1940-41 to 1942-43) of the estate shall be excluded in computing allowances to be added to it. These provisions are defective inasmuch as they exclude 'young area' or 'low producing area' in respect of which allowances have been made in determining the cardinal crop basis from receiving any further benefit even if ordinarily admissible and render ineffective the benefits contemplated by rule 4(b) of the Indian Tea Control Rules, 1930, the proviso to which has been amended recently to have the effect of increasing the allowances of some young areas planted between 1st April 1938 and 31st March 1941. It is, therefore, proposed to amend suitably the provisos to clauses (a) and (b) of paragraph 1 of the Schedule to the Indian Tea Control Act, 1938.

MEMORANDUM OF AGREEMENT made this 24th day of February, One thousand nine hundred and forty-five between the Indian Iron and Steel Company, Limited (a Company registered under the Indian Companies Act, 1892), and having its registered office at 12, Mission Row in the City of Calcutta (hereinafter called the Company) of the one part and the Governor of the Province of Bengal (hereinafter called the Governor) of the other part.

Whereas for the purpose of connecting its Hirapur Works with its Kulti Works by a siding for operational transport between the two works the Company has applied to the Government of Bengal for the acquisition under the provisions of the Land Acquisition Act, I of 1894, of the piece or parcel of land containing 219·37 acres or thereabout, situate in the villages of Kulti, Punuri, Kultara, Dedi, Neamatpur, Bamandiha Aldih, Bejdih, Henrelgaria, Kamalpur, Patmohana, Bara Dighari, Chota Deghari and Santa in the district of Burdwan and more particularly described in the schedule hereto and delineated in the plan* annexed.

And whereas the said Government of Bengal has required the Company under the provisions of section 41 of the abovementioned Act to enter into the Agreement with the Governor hereinafter contained. Now this indenture witnesseth that it is hereby agreed and declared as follows:—

GOVERNMENT OF INDIA.

Legislative Assembly Department.

New Delhi, the 26th January, 1945.

No. F. 108-I/45-A.—Under Rule 18 of the Indian Legislative Rules, the Governor General has been pleased to order the publication in the *Gazette of India*, of the following Bill, together with the Statement of Objects and Reasons relating thereto, and the Bill and the Statement of Objects and Reasons are accordingly published for general information:—

L. A. BILL No. 2 OF 1945.

A Bill further to amend the Indian Companies Act, 1913.

WHEREAS it is expedient further to amend the Indian Companies Act, 1913 (VII of 1913), for the purpose hereinafter appearing;

It is hereby enacted as follows:—

1. Short title.—This Act may be called the Indian Companies (Amendment) Act, 1945.

2. Amendment of section 282B, Act VII of 1913.—To section 282B of the Indian Companies Act, 1913, the following sub-section shall be added, namely:—

"(*6*) Nothing in sub-section (*2*) shall affect any rights of an employee under the rules of a provident fund to withdraw money standing to his credit in the fund."

STATEMENT OF OBJECTS AND REASONS.

Sub-section (*2*) of section 282B of the Indian Companies Act, 1913, provides that where a provident fund has been constituted by a company for its employees, all moneys contributed to such fund shall be either deposited in a Post Office Savings Bank account or invested in trust securities. The sub-section was not designed to preclude the withdrawal by an employee, in accordance with the rules of the fund, of money standing to his credit therein; but certain Registrars of Joint Stock Companies have held that the sub-section has the effect of prohibiting such withdrawals. This view is not only contrary to the intention but is destructive of the normal operation of all provident funds maintained by companies. It is proposed to amend the section so as to displace this view.

Calcutta, the 20th February 1945.

Third and Final Forecast of Winter Rice Crop of Bengal, 1944-45.

(*Note*.—On an average of the five years ending 1942-43, the area under winter rice in Bengal has represented some 20·8 per cent. of the total area under rice in India.)

Character of the season.—Since the issue of the second forecast in December last the weather has not been quite favourable. Some damage has been caused by drought and insect-pests.

Acreage.—According to the District Officers' estimates the total area under winter rice this year is 18,591,900 acres as against 18,176,700 acres of last year. The increase in area this year as compared with that of last year and of the normal, is due to the high prices of rice prevailing at the time of sowing.

Outturn.—From the summary of the district returns appended it will be seen that one district reports a bumper crop, one district normal outturn of 100 per cent., thirteen districts from 80 to 95 per cent., ten districts from 70 to 75 per cent. and the remaining two below 70 per cent. of the normal crop.

The provincial outturn is estimated this year at 80 per cent. of the normal as against 103 per cent. of the normal last year.

Accepting 80 per cent. as the provincial outturn, the gross yield of the crop, on the basis of the normal yield of 12 2/5 maunds of clean rice per acre, is estimated at 6,775,000 tons this year as against 8,528,100 tons of last year. The decrease is mainly due to unfavourable weather conditions from the time of sowing till the time of harvesting.

N. M. KHAN,
Director of Agriculture, Bengal.

Office of the Secretary to His Excellency the Governor of Bengal

NOTIFICATION.

No. 868H.—5th March 1945.—The following is republished for general information:—

OFFICE OF THE PRIVATE SECRETARY TO HIS EXCELLENCY THE VICEROY.

New Delhi, the 22nd February 1945.

No. 60H.—His Excellency the Viceroy has been pleased to award the Indian Police Medal to the following officer:—

BENGAL.

Name of officer and rank.—Mr. Phillip Stanislaus Bampton, District Officer, Calcutta Fire Brigade. *Statement of services for which the decoration has been awarded.*—On the evening of 17th December 1944 a call was received at the Headquarters of the Fire Brigade that a waggon in the Kidderpore Docks was on fire. On arrival it was found that shells in the waggon were exploding and that the fire was spreading rapidly towards a nearby Aerodrome. Lieutenants Titley and Greenwood of the Dock Fire Unit were in charge. Disregarding the very considerable danger, District Officer Bampton of the Calcutta Fire Brigade joined them.

A locomotive with three waggons approached the scene of the fire at speed. They attempted to stop the driver by shouting but he could not hear. Consequently it was derailed where the railway line had been blown up. The engine started to sink into the soft ground. The three officers immediately hastened to rescue the engine driver. Lieut. Titley, who was slightly in advance of the other two, was seriously injured by an explosion and subsequently died as a result of injuries. District Officer Bampton and Lieut. Greenwood removed Lieut. Titley for medical attention. They then returned and with Company Officer Overington and Sub-Officer Mukherjee proceeded with the rescue of the engine driver. On entering the cab of the engine, District Officer Bampton found the driver lying unconscious underneath a heap of coal. He extricated him and with the help of others including Company Officer Overington and Sub-Officer Mukherjee removed the driver to safety.

While this rescue was being effected there were continual explosions. District Officer Bampton showed great courage and determination, disregarding the danger to his own life in order to save that of the engine driver.

This award is made for gallantry under regulation (d) (i) of the Regulations governing the grant of the Indian Police Medal and consequently carries with it the special allowance admissible to officer of and below the rank of Inspector of Police.

No. 61H.—His Excellency the Viceroy is pleased to announce that His Imperial Majesty the King-Emperor of India, has been graciously pleased to give orders for the publication in the *Gazette of India* of the names of Gordon J. Overington, Company Officer, Calcutta Fire Brigade, and Prasanta Kumar Mukherjee, Sub-Officer, Calcutta Fire Brigade, Bengal, as having received an expression of Commendation for brave conduct.

4. The slaughter-house shall be sufficiently lighted to allow for work after dusk.

5. Trees shall not be permitted to overhang the premises. The slaughter-house may be enclosed by wire-netting to prevent the entrance of birds.

6. 7. No person suffering from any contagious or infectious disease shall be employed or allowed to enter the slaughter-house.

8. Bones, offal, gut, hoofs, horns and other refuse shall be kept in properly constructed, covered and removable vessels made of non-absorbent material until arrangements can be made to remove them.

9. At the close of every floor or pavement shall be thoroughly washed and all fragments of gut, blood or other matters detached in the process of disembowelling and skinning shall be collected and placed in suitable vessels or receptacles to be forthwith removed with their covers from the slaughter-house for disposal in a manner approved by the commissioners. PART IVA—Bills introduced in the Bengal Legislative Assembly; Reports of Select Committees presented or to be presented to that Assembly; and Bills published before introduction in that Assembly

BENGAL LEGISLATIVE ASSEMBLY DEPARTMENT.

NOTIFICATION.

No. 515L.A.—10th March, 1945.—The following report of the Select Committee on the Bengal Private Forests Bill, 1944, with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

THE REPORT OF THE SELECT COMMITTEE ON THE BENGAL PRIVATE FORESTS BILL, 1944.

We, the members of the Select Committee, to which the Bengal Private Forests Bill, 1944, was referred by a motion carried in the Bengal Legislative Assembly on December 19, 1944, have the honour to submit this our final report with the Bill embodying amendments recommended by us. Matters recommended to be omitted by us have been printed in *italics* and included in square brackets and new matters recommended by us to be inserted have been underlined.

The Committee met for the first time on January 8, 1945, and thereafter from time to time till January 26, 1945, when they concluded their deliberations and came to a final decision.

The Bill was published in an *extraordinary issue* of the *Calcutta Gazette*, dated November 18, 1944, before introduction and we do not consider it to have been so altered by our recommendations as to require republication.

The reasons for the changes suggested in the Bill, apart from those of a purely drafting or consequential nature, are as follows:—

Clause 2.

Sub-clause (1).—We have revised the definition of "Appellate Committee" to provide that an Appellate Committee shall be appointed in respect of a notified area and that the Chairman of such Committee shall be a Revenue Officer not below the rank of a Collector.

Sub-clause (8) (a) (ii).—We have included wild animals, etc., within forest produce, whether found in, or brought from a forest or not.

Sub-clause (9).—We have revised the definition of "Forest Settlement Officer" to make it more comprehensive.

Sub-clause (12).—We have enlarged the scope of the definition of "owner" to include a mortgagee in possession, a lessee, a common manager, a receiver and a trustee.

Sub-clause (21).—Changes made in this sub-clause are of drafting nature.

Clause 3.

We have split up this clause into two clauses, viz., clauses 3 and 3A. We consider that a working plan which involves highly technical matters should not be left to the Regional Forest Officer alone for preparation or modification. We have, therefore, provided that the Regional Forest Officer shall prepare or accept such plan after consultation with the Conservator of Forests of the forest circle within which the forest is situated. We have further provided that such consultation shall be made in the manner prescribed by rules, for it might be necessary to consult other departmental experts before the settlement of the working plan which may be provided for in the rules. We have also provided for a revision of the order of the Appellate Committee by the Board of Revenue both in respect of working plans approved by the Appellate Committee and approved working plans modified by that Committee after expiry of five years on the application of the owner. We consider that power should also be reserved to the Regional Forest Officer for the modification of an approved working plan within the period of five years from the date of approval with the previous sanction of the Provincial Government and we have made necessary provisions for that.

Clause 4.

Changes made in this clause are consequential.

Clause 5.

Sub-clause (1).—We consider that no prosecution under this sub-clause for failure or neglect of the owner to carry out the terms and conditions of the working plan should be instituted without giving the owner a reasonable opportunity to carry them out and we have accordingly proposed the addition of a proviso to this sub-clause to that effect.

Clause 6.

Changes made in this clause are consequential.

Clause 7.

Sub-clause (1).—We think provision should also be made in this sub-clause for the grant of loans to owners of controlled forests to enable such an owner to make payment of any compensation for extinction or modification of rights in a controlled forest and we have accordingly made necessary provisions in this sub-clause.

Sub-clause (4).—We consider that the recovery of loans granted under this clause should be made only out of the controlled or vested forest to the owner of which the loan was advanced and we have modified sub-clause (*4*) accordingly.

Clause 8.

Sub-clauses (1) and (2).—We have also provided for consultation with the Conservator of Forests in the manner to be prescribed in the rules before the Regional Forest Officer takes action to secure the conservation of two or more forests belonging to different owners, that is, amalgamation of two or more vested forests under one working plan.

Sub-clause (4).—We have also provided for a revision of the order passed under the preceding sub-clauses, by the Board of Revenue.

Clause 9.

Sub-clause (9).—We have provided for consultation with the Conservator of Forests in the manner to be prescribed by rules before the Regional Forest Officer settles a working plan under this sub-clause.

Sub-clause (10).—We have suggested certain drafting changes in this sub-clause.

Clause 10.

Sub-clause (1).—We think waste lands lying uncultivated for three years should be considered suitable for afforestation and we have, therefore, altered "ten years" to "three years." We have excluded from afforestation any waste land used by the owner for the purpose of horticulture. We have also provided that the Provincial Government shall not issue notification under this sub-clause without considering whether or not the land can be more advantageously used for purposes of agriculture or horticulture than for purposes of afforestation.

Sub-clause (3).—We think the profits resulting from afforestation of lands after expenses have been recouped should be divided in equal shares between the Provincial Government and the owner of the land and we have modified this sub-clause accordingly.

Clause 15.

Changes suggested in this clause are consequential upon the changes made in sub-clause (*2*) of clause 24.

Clause 17.

Changes suggested in this clause are of drafting nature.

Clause 21.

Sub-clause (1).—We have provided in this sub-clause that proclamation should also be issued in local vernacular.

Clause 24.

Sub-clause (2).—We have provided for the payment of compensation in respect of rights in relation to a controlled forest by the owner of such forest and in respect of rights in relation to a vested forest by the Regional Forest Officer and have also provided that the payment so made by the Regional Forest Officer shall be recouped from the profits of the vested forest as part of the cost of management.

Clause 25.

We have provided for the revision of the orders of the Commissioner by the Board of Revenue.

Clauses 26 and 27.

Changes made in these clauses are consequential.

Clause 29.

Sub-clause (1).—We have provided that due enquiry should be made before imposition of collective fine on the inhabitants of any local area specifying the reasons for imposition of such collective fine.

Clause 30.

We think the permission referred to in sub-clause (c) of this clause should be granted by the authorised agent of the owner instead of the agent. We have made provision for it accordingly.

Clause 50.

Sub-clause (3).—We do not consider it necessary to restrict the scope of this sub-clause by specifying any limit with regard to the salary drawn by the Forest Officer and the reference to salary has accordingly been omitted.

Clause 53.

We have extended the scope of this clause by replacing "that purpose" by "the purposes of this Act."

Clause 56.

Power to make rule by the Provincial Government has been extended to controlled forests. Other changes made in this clause are of consequential nature.

Clause 58.

We have slightly amended this clause to make it clear that after a direction is issued under this clause the private forest or waste land shall be managed by a Regional Forest Officer specified by the Provincial Government on behalf of the owner or owners of such forest or land.

Joint Minute of Dissent by Mr. Iswar Chandra Mal, M.L.A., and Mr. Giasuddin Ahmed, M.L.A.

We give our signature to the draft Bill considered by the Select Committee with the following notes of dissent and we reserve the right of moving amendments when presented in the Assembly:—

Clause 5.—The owner of any private forest should not be penalised with fine, if he fails to act according to the terms and conditions of the working plan. Government should spend money to give effect to the terms and conditions of the working plan, and the money spent will be realised from the owner of the forest. This will be repeated twice. After two such failures, the forest may be taken over and vested in the Regional Forest Officer by notification for the time specified in the notification. The Bill in this form should be circulated for public opinion.

Minute of Dissent by Maharaja Bhupendra Chandra Singha of Susang, M.L.A.

The Bill and its amendments have been drawn up more or less in the line drafted by the "West Bengal Forest Committee of 1938". In spite of the amendments made in the body of the Bill, the remark made by the Hon'ble Mr. Harendra Nath Roy Chowdhury in his note of dissent ".....the Bill appended to our Report closely resembles one of the harshest, ...of the Legislative measures adopted by the European states to deal with their private forests" may be justly applicable to the one that is before us. The Bill, as amended, should be given out for circulation, for public opinion. In my opinion there cannot be any hurry in the matter of passing a legislative measure as proposed; particularly when Nation-Building schemes with wider possibilities are being forged for meeting the requirements of the New World that is soon emerging after the successful termination of the War.

*Signed subject to a minute of dissent annexed.

NOTE—The signature of Babu Narendra Narayan Chakravarty could not be obtained till the time of printing this report.

As the Forest Act is already there, the existing forests may be prevented from destruction. As to aforestation scheme, as it has waited so long, shall not undergo any drastic change if it waits for a couple of years more particularly when there is a chance of the matter receiving a more comprehensive attention. Forests may be destroyed over night, but forests cannot be grown in a day hence a couple of years' delay is negligible. For helping any present or future plan a Forest Advisory Board (consisting of Forest Expert, Revenue Expert and Landholders), to be reconstituted every 5 years, may be immediately formed, and that may function as a permanent body—to act as permanent Appellate body, if necessary, in any future scheme and also to give advice to the Government in all matters connected with the Forests of Bengal.

Coming to the Bill as it stands after the proposed amendments—I should like to remark that the private forest owners should not be penalised with fines as the provision for the inclusion of the private forests under the category of vested Forests should keep every owner of controlled private forests wide awake. In case of negligence, a warning for the second time should prove to be more than a corrective. Private forest owners should be given greater encouragements for spontaneously taking more interest in the proper preservation of Forests. Constructive legislations should attract people to co-operate with the administration in achieving the ends of legislative measures and should not provoke non-co-operation. The Forest Bill should get the greatest amount of public opinion in its support to make it successful.

The Bill does not propose to give proper consideration to the sentiments of the private owners, but seems to attach more importance to the cause of vested forests. This may be justified only when after the functioning of a sound afforestation scheme, the reaction of the private owners prove to be hostile.

The problem of maintaining small forests in rural areas has not received the attention that it deserves. It is impossible to maintain administrative control in widely divergent rural areas; hence smaller forests should be given protection by the owners, for whom, in particular, more encouraging measures are necessary.

I quite agree that protective measures for forests and afforestation schemes have been delayed too long. But when there is a scope for the matter receiving in no distant date a more comprehensive attention of experts, the Bill as amended, may be now given out for circulation of opinion. This will only help the future constructive plan.

(*5*) The Board of Revenue may, on application by an owner of a private forest for revision of an order of the Appellate Committee passed in appeal under sub-section (*4*), and if such application is made within thirty days from the date of the order, call for the record of the appeal in which the order was passed and on receipt of such record, after giving such owner an opportunity of being heard, may, if it does not see fit to reject the application, direct the Appellate Committee by an order in writing to make such modifications in the working plan accepted by the said Committee under sub-section (*4*) as may be specified in such order in writing.

(*6*) The Board of Revenue shall, as soon as may be after an application for revision is disposed of under sub-section (*5*), communicate the order passed by it on such application to the Appellate Committee, and on receipt of such order the Appellate Committee shall, where the Board of Revenue has directed any modification to be made in such working plan, modify it accordingly.

Approved working plans.

(2) A copy of every approved working plan shall be sent in the prescribed manner by the Regional Forest-officer to the owner of the private forest to which it relates and the owner shall thereupon manage such forest in accordance with such plan and shall carry out all the terms and conditions thereof.

4. After the publication of a notification under sub-section (1) of section 3, no owner of a private forest in the notified area shall enter into any new lease or extend the term of any existing lease in respect of such forest until the working plan in respect of such forest has been approved under [*sub-section (5) of that section*] sub-section (1) of section 3A except with the previous sanction of the Provincial Government and after such working plan has been so approved except in accordance with the terms and conditions of such plan and any lease entered into or any extension of the term of any lease granted in contravention of the provisions of this section shall, notwithstanding anything contained in any other law for the time being in force, be void and have no effect.

Penalty for the violation of working plan.

5. (*1*) If after an approved working plan in respect of any private forest has been sent under *[sub-section (6) of section 3]* sub-section (2) of section 3A to the owner of such forest, such owner fails or neglects to carry out any of the terms and conditions of such plan, he shall be punishable with fine which may extend to five hundred rupees[.] :

Provided that no prosecution shall be instituted under this sub-section unless the Regional Forest-officer has served in the prescribed manner a notice on such owner specifying the terms and conditions of the working plan which such owner has failed or neglected to carry out and requiring such owner to take such steps for carrying them out as are specified in the notice within thirty days from the date of service of such notice and unless such owner has failed to comply with such notice.

(*2*) If the owner of a private forest is convicted a second or subsequent time under sub-section (*1*) for the failure or neglect to carry out any of the terms and conditions of the working plan in respect of such forest, the Provincial Government may, by a notification, direct that the control of such forest shall be vested in such Regional Forest-officer for such period as may be specified in such notification :

Provided that no such notification shall be issued until such owner has been called upon by notice in writing by the Regional Forest-officer within sixty days of such conviction to show cause before the Appellate Committee within such time as may be specified in the notice as to why such notification should not be issued and until the Appellate Committee, after considering the cause, if any, shown by him and any evidence which he may produce in support thereof, has recommended to the Provincial Government that such notification should be issued.

(*3*) Nothing in sub-section (*1*) shall render any owner of any private forest liable to conviction for any deviation from any approved working plan if such deviation has been previously sanctioned by the Regional Forest-officer on application made by such owner in that behalf to such officer or by the Appellate Committee on an appeal from an order of the Regional Forest-officer refusing to sanction such deviation presented by the owner to such committee within thirty days from the date of such order.

Vesting of forest in a Regional Forest-officer.

6. GOVERNMENT OF BENGAL.
Legislative Department.
NOTIFICATION.

No. 2851L.—10th March 1945.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL CO-OPERATIVE SOCIETIES (AMENDMENT) BILL, 1945.

A BILL

to amend the Bengal Co-operative Societies Act, 1940.

WHEREAS it is expedient to amend the Bengal Co-operative Societies Act, 1940 for the purposes and in the manner hereinafter appearing ; Ben. Act XXI of 1940.

It is hereby enacted as follows :—

Short title.

1. This Act may be called the Bengal Co-operative Societies (Amendment) Act, 1945.

Amendment of section 2 of Bengal Act XXI of 1940.

2. To clause (*r*) of section 2 of the Bengal Co-operative Societies Act, 1940 (hereinafter referred to as the said Act) the words, brackets, letter and figure "and includes any person appointed to assist the Registrar on whom all or any of the powers or duties of the Registrar referred to in section 10 have been or has been conferred or imposed under clause (*a*) of that section " shall be added.

Amendment of section 10.

3. In section 10 of the said Act, after the words "any of the powers" the words "or impose all or any of the duties" shall be inserted.

Amendment of section 51.

4. To section 51 of the said Act the following proviso shall be added, namely :—

"Provided that nothing in this section shall apply to persons employed upon Federal Railways (within the meaning of the Government of India Act, 1935) or in mines or oil fields." 26 Geo. V, c. 2.

Amendment of section 56.

5. In clause (*b*) of sub-section (*4*) of section 56 of the said Act, for the figure "29" the figure "20" shall be substituted.

Amendment of section 140.

6. In clause (*iv*) of sub-section (*2*) of section 140 of the said Act, after the word "powers" the words "and duties" shall be inserted.

STATEMENT OF OBJECTS AND REASONS.

Government have been advised that sections 86, 87 and 134 read with the Fourth Schedule to the Bengal Co-operative Societies Act, 1940, dealing with the filing and settlement of disputes and filing of appeals, respectively, impose certain duties upon the Registrar but do not confer any power upon him. Section 10 of the Act refers only to powers and does not refer to the duties entrusted to the Registrar by or under the Act. Therefore under the existing provision of the Act the duties entrusted to the Registrar under sections 86, 87 and 134 read with the Fourth Schedule cannot be imposed upon an Assistant Registrar under section 10 (*a*) of the Act. It is quite impossible for the Registrar to deal with large number of disputes and appeals single-handed. With a view to removing this difficulty it is proposed to amend clause (*r*) of section 2 and section 10 and to make some other consequential changes in the Act.

In view of the provisions of section 7 (*2*) (*j*) of the Payment of Wages Act, 1936, read with section 24 thereof, section 51 of the Bengal Co-operative Societies Act, 1940, is *ultra vires* so far as persons employed upon Federal Railways or in mines or oil fields are concerned. It is therefore proposed to exclude these persons from the scope of section 51.

A printing error has also been rectified in section 56.

3. The Bill has not been altered by our recommendation to an extent requiring republication.

4. The Bill was published after introduction in the *Calcutta Gazette* of the 22nd August, 1940, under rule 51 of the Bengal Legislative Council Procedure Rules.

5. The changes made by us are detailed below:—

Long Title and Preamble.—We have made some formal changes in the Long Title and the Preamble of the Bill.

Clause 1.—We have redrafted sub-clauses (*1*) and (*2*) of this clause.

We have omitted sub-clause (*3*) of this clause in view of the addition of new clause 3.

Clause 2.—We have redrafted paragraph (*i*) of this clause and renumbered it as sub-clause (*1*) of clause 2.

Minute of Dissent by Mr. Nur Ahmed, M.L.C.

I am humbly of opinion that for better working of the Act, it is very necessary that the following additions should be made to the Bill in question :—

In sub-section (*2*)—

(*a*) to clause (*a*) the following proviso shall be added, namely :—

"Provided that if in any suit to which this Act applies it is found that—

(*i*) the interest charged exceeds the rate of eight *per centum per annum* in the case of a secured loan or ten *per centum per annum* in the case of an unsecured loan, or

(*ii*) in the case where the loan in respect of which such suit has been instituted provides for the payment of compound interest, the amount charged by the creditor by way of such interest until the date of the institution of such suit exceeds the amount of simple interest calculated at the rate of eight *per centum per annum* in case of a secured loan or ten *per centum per annum* in case of an unsecured loan, the Court shall, until the contrary is proved, presume that the interest charged is excessive, but this provision shall be without prejudice to the powers of the Court under sub-section (*1*) where the Court is satisfied that the interest charged though not exceeding eight *per centum per annum* simple interest or ten *per centum per annum* simple interest, as the case may be, is excessive ;

(*b*) the explanation to clause (*d*) shall be omitted.

Secy. to the Bengal Legis. Council.

Report of the Select Committee on the Bengal Court of Wards (Amendment) Bill, 1940

(as introduced in the Bengal Legislative Council by Mr. Nur Ahmed, M.L.C.).

We, the members of the Select Committee to which the Bengal Court of Wards (Amendment) Bill, 1940, was referred by a motion carried in the Council on the 12th May, 1944, have the honour to submit this our Final Report with the Bill embodying amendments recommended by us. Matters recommended by us to be omitted have been printed in italics and enclosed in square brackets, and all new matters recommended by us to be inserted have been underlined.

2. The Committee met for the first time on the 2nd August, 1944, and concluded their sitting on the 24th November, 1944.

3 The Bill has not been altered by our recommendation to an extent requiring republication.

4. The Bill was published after introduction in the *Calcutta Gazette* of the 22nd August, 1940, under rule 51 of the Bengal Legislative Council Procedure Rules.

5. The changes made by us are detailed below :—

Clause 1.—We have changed the year in the title of the Bill as this change is necessary.

Clause 2.—We have excluded the interests in land of the cultivating *raiyats* from the purview of the Bill. The clause has been redrafted accordingly.

New Clause 2A.—We have inserted this new clause to make such change in section 5 of the Court of Wards Act, 1879, as is necessary in view of the changes proposed in the new sections 6 and 6A.

Clause 3.—We have redrafted sub-section (*1*) of the proposed section 6 and have renumbered it as section 6.

We have redrafted sub-section (*2*) of the proposed section 6 and have renumbered it as section 6A. We have changed the proviso to this sub-section in such a way as to make the provisions of clause (*d*) of section 6A as redrafted, applicable to all proprietors irrespective of their political or social importance.

We have omitted the provisions of sub-section (*3*) of the proposed section 6 as there is no such provision in the existing section 6 or in any other sections of the Court of Wards Act, 1879.

We have also omitted the provisions of sub-section (*4*) of the proposed section 6 as we think them unnecessary.

We have redrafted sub-section (*5*) of the proposed section 6 and renumbered it as section 6B.

Clause 4.—We have redrafted the proposed section 7. We think it desirable that those joint proprietors who would not like to have their shares of the property taken charge of by the Court of Wards along with the shares of other joint proprietors of the same property, which are liable to be taken charge of by the Court under the provisions of the Act, should be given opportunities to be heard and should be allowed to separate off the collection of rents and profits in respect of their shares in the property before any action is taken under the proposed section 7. We have accordingly amended the proposed section by incorporating in it provisions for the said purpose.

Clauses 5-9.—We have redrafted these clauses and renumbered them as clauses 5-25 making only such drafting changes as are necessary being consequential upon the changes due to the proposed sections 6, 6A, 6B and 7 and also upon the changes in section 3 of the Act as proposed in clause 2 of the Bill.

BENGAL LEGISLATIVE COUNCIL DEPARTMENT.

NOTIFICATION.

No. 400L.C.—12th March, 1945.—The following report of the Select Committee on the Bengal Suppression of Immoral Traffic (Amendment) Bill, 1940, by Mr. Nur Ahmed, M.L.C., with the Bill embodying amendments recommended by the Committee, is hereby published for general information.

S. K. D. GUPTA,
Secy. to the Bengal Legis. Council

Report of the Select Committee on the Bengal Suppression of Immoral Traffic (Amendment) Bill, 1940.

(As introduced in the Bengal Legislative Council by Mr. Nur Ahmed, M.L.C.)

We, the members of the Select Committee to which the Bengal Suppression of Immoral Traffic (Amendment) Bill, 1940, was referred by a motion carried in the Council on the 12th May, 1944, have the honour to submit this our Final Report with the Bill embodying amendments recommended by us. Matters recommended by us to be omitted have been printed in italics and enclosed in square brackets, and all new matters recommended by us to be inserted have been underlined.

2. The Committee met for the first time on the 15th May, 1944, and concluded their sitting on the 5th December, 1944.

3. The Bill has not been altered by our recommendation to an extent requiring republication.

4. The Bill was published after introduction in the *Calcutta Gazette* of the 10th April, 1941, under rule 51 of the Bengal Legislative Council Procedure Rules

5. The changes made by us are detailed below :—

Preamble.—We have made some changes in the Preamble.

Short Title.—We have changed the year in the Title of the Bill and have numbered it as clause 1.

Clause 1.—We have redrafted this clause and renumbered it as clause 1B. We have added the new clause 1A in which we have made provisions for amending the long title of the Bengal Suppression of Immoral Traffic Act, 1933. This is necessary being consequential upon the change in the Preamble of the Act as proposed in clause 1 of the Bill.

Clause 2.—We have made only some drafting changes in clause 2.

We have inserted the new clause 2A as we think it desirable that the power to order the discontinuance of houses, rooms, places as brothels, etc., exercisable under clause (*c*)of sub-section (*1*) of section 6 of the Act in the case of only the main thoroughfares notified as such under the said clause, should be made

exercisable also in case of other areas to be notified under this clause, where such exercise of these powers is thought necessary.

Clause 3.—We have omitted this clause as we think that giving the Corporation of Calcutta and the Municipalities the powers of removing persons as proposed in this clause without making proper provision for the accommodation of such persons, which it is now difficult to make, may give rise to various difficulties.

CALCUTTA:

*Signed subject to Minutes of Dissent, annexed.

N.B.—The signatures of the following members could not be obtained up to the time of printing this Report, namely:—

(1) Mr. Moazzem Ali Chowdhury, and (2) Mr. Bankim Chandra Dutta.

Minute of Dissent by Mr. Bankim Chandra Mukerjee, M.L.C.

I sign this subject to proposing amendments to the provisions as now recommended which I consider essentially necessary.

Minute of Dissent by Alhadj Khan Bahadur Shaikh Mohammad Jan, M.L.C.

Clause 3.—I differ from the views of the honourable members of the Select Committee in respect of omission of clause 3, from the Bill, as without giving ample powers to the Corporation of Calcutta or the Municipalities to remove suspected persons from the particular locality, there cannot be any improvement in the present standard of the people of this Province who enjoy all sorts of facilities in their immoral life.

(2) If any person or woman so directed under sub-section (1) fails or refuses to remove himself or herself as directed within the time specified, the Commissioner of Police in case of the City of Calcutta or the Superintendent of Police in case of any other municipal area, shall cause such person or woman to be arrested and removed in police custody to the place prescribed.

(3) Any person on whom a notice under this section shall have been served, disobeying the requisition therein contained shall be punished with imprisonment which may extend (a) in the case of first offence to one month and (b) in the case of a second offence or subsequent offence to three months.

ORDER.

No. 324L.S.-G.—15th March 1945.—Defects in the administration of the Janai union board in police-station Chanditola, district Hooghly, have engaged the attention of the authorities concerned for sometime. It has been brought to my notice that (*1*) the financial condition of this Board is extremely unsatisfactory, (*2*) a large sum of money on account of union rates always remains in arrear and has now become time-barred and subsequently has to be written off, (*3*) there has been a gradual deterioration in the collection of the union rate and in spite of repeated instruction no efforts have been made for the realisation of the current demand, and (*4*) the administration of the board is mainly run by one or two members who are extremely unpopular in the locality. In view of the above circumstances the Subdivisional Officer, Serampore, and the district board and Additional District Magistrate, Hooghly, agree that the supersession of this union board is essential.

After careful consideration, I have come to the conclusion that the Janai union board has persistently made default in the performance of its duties and has proved itself incompetent to conduct the administration of the board. It has been treated for sometime past with great patience but has deliberately neglected its duties. I am therefore forced to decide that temporary supersession is necessary in the interest of the ratepayers.

In the circumstances, I, with the approval of the local Government declare by this order issued under section 56(*1*)(*b*) of the Bengal Village Self-Government Act of 1919, that the Janai union board is incompetent to perform and persistently makes default in the performance of the duties imposed upon it, and I direct that it be superseded for a period of six months with effect from the 1st April 1945.

In exercise of the powers conferred by section 57(*1*)(*b*) of the Bengal Village Self-Government Act, 1919, I direct that all the powers and duties of the union board shall, during the period of supersession, be exercised and performed by the Sub-Registrar, Janai, and that all properties vested in the union board shall, during that period, be vested in him according to section 57(*1*)(*c*) *ibid*, and he shall be responsible for their safe custody during the period of supersession.

A. AHMAD, *Personal Assistant,*
for *Director of Agriculture, Bengal.*

Calcutta, the 1st March 1945

DEPARTMENT OF AGRICULTURE, BENGAL.

Calcutta, the 7th March 1945.

Second Forecast of the Spring Oilseed Crops, 1944-45.

(*Note.*—On an average of the five years ending 1942-43, the area under linseed in Bengal has represented some 4 per cent. and that of rape and mustard some 12·4 per cent. of the total areas under these crops in India.)

Character of the season.—Since the submission of the first forecast, the weather and its effect on the growth of the crops have not been quite favourable. Showers in the first part of January, however, proved beneficial to the crops.

Area sown.—Spring oilseeds are chiefly grown in Dacca, Rajshahi and Presidency Divisions. In the other two Divisions cultivation of the same is not so extensive. The total area under these crops (excepting sesamum for which separate forecasts are issued) is estimated at 1,009,700 acres this year as against 1,007,600 and 1,018,800 acres in the corresponding and the final forecasts respectively of last year. The decrease in area is reported to be due to unfavourable weather conditions at the time of sowing.

Outturn.—From the District Officers' estimates the average outturn of different oilseed crops for the province works out to 70 per cent. of the normal, as against 73 per cent. reported in both the corresponding and the final forecasts of last year.

N. M. KHAN,
Director of Agriculture, Bengal.
